CY2016 ASC Covered Ancillary Services Integral to Covered Surgical Procedures

HCPCS Code	CI	Short Descriptor	Apr 2016 Payment Indicator	Apr 2016 Payment Weight	Apr 2016 Payment Rate
------------	----	------------------	----------------------------	-------------------------	-----------------------

NOTE 1: The Medicare program payment is 80 percent of the total payment amount and beneficiary coinsurance is 20 percent of the total payment amount except for most preventive services. Sections 4104 and 10406 of the Affordable Care Act (ACA) waive coinsurance and the Part B deductible for most preventive services. These preventive services are identified with a double asterisk (**).

NOTE 2: In general, payment indicators Z2 and Z3 (certain radiology or diagnostic services) are based on a comparison of the final rates according to the ASC standard ratesetting methodology and the MPFS final rates effective January 1, 2016. We note that these payment rates and indicators reflect the 0.5% increase to the MPFS payment rates effective January 1, 2016 as a result of the Medicare Access and CHIP Reauthorization Act of 2015. For a discussion of the MPFS rates, we refer readers to the CY 2016 MPFS final rule with comment period.
