NOTE 1: The Medicare program payment is 80 percent of the total payment amount and beneficiary coinsurance is 20 percent of the total payment amount except for most preventive services. Sections 4104 and 10406 of the Affordable Care Act (ACA) waive coinsurance and the Part B deductible for most preventive services. These preventive services are identified with a double asterisk (**).

NOTE 2: Payment indicators for "office-based" procedures (P2, P3) are based on a comparison of the final rates according to the ASC

NOTE 3: Asterisked codes(*) indicate that the procedure's "office-based" designation is temporary because we have insufficient claims data. We will reconsider this designation when new claims data become available.

NOTE 4: For triple asterisked codes(***), please see the January 2016 Quarterly Update of the ASC Payment System for more details
