¹The CCNs with a “B” in the 4th position indicate a campus of a MCH located in a different CBSA from the main provider. The campus’s wages and hours are allocated to the CBSA of its physical location.

The wage index reflects the CBSA of its location, or the MGCRB reclassified wage index, if applicable. The case-mix index and average hourly wages are not separated by campus; they reflect the provider as a whole.

²A blank indicates FY 2015 MedPAR (which is used for the FY 2017 rates) was not available for the provider, and therefore, this provider was not included in the rate setting process.

³This is the hospital's proposed FY 2017 wage index with all applicable adjustments.

⁴A blank indicates wage data not available for the CCN for the fiscal year or all three fiscal years.

⁵Hospitals cannot receive the out-migration adjustment if they are reclassified under section 1886(d)(10) of the Act or redesignated under section 1886(d)(8)(B) of the Act or redesignated under section 1886(d)(8)(E) of the Act.
